

Convocatòria: MELIS-PSR-INDF-2023-59

Date of publication of the job offer: 20/11/2023

Job title: Lab Manager. REF: MELIS-PSR-INDF-2023-59

Research line: Generation of data and genomics, transcriptomics, and proteomics analysis from human, primate, and other mammals.

Job description:

The Comparative Genomics Lab (UPF) is seeking a highly organized lab manager who can work effectively, plan and organize the lab activities for the ApeGenomeDiversity project. Among others, the lab manager will supervise the lab technicians, overseeing their experiments and will provide experimental support to ensure all projects are completed on time. Furthermore, the candidate will adapt, optimize and develop new methods in close collaboration with the lab's computational scientists.

Project and Institution that finances the contract

EC-H2020-2019-ERC-864203-CoG-ApeGenomeDiversity: *"Great ape genome variation now and then: current diversity and genomic relics of extinct primates"*.

Information on the minimum requirements

- Diploma

Other requirements

- Bachelor/master's degree in Biology (or related disciplines) or a lab technician qualification
- Experience in running a general laboratory
- Attention to detail and excellent managerial skills
- Expertise in molecular biology, particularly DNA/RNA biology
- Experience in general laboratory techniques (DNA/RNA extracci3n and QC, PCR, qPCR)
- Experience in cellular and molecular techniques
- Previous experience in preparation of libraries for Next Generation Sequencing
- Capacity to work independently and as a part of a team

Convocatòria: MELIS-PSR-INDF-2023-59

- Good communication skills in English

Expected remuneration: 31,643,00€ bruts a 34.826,60€ variable segons experiència

Group and complement: variable entre Grup 2 lletra u i Grup 2 lletra n, segons experiència

Dedication and working time: full time, 35h weekly.

Information on the application process.

Send CV by mail to recruitment.melis@upf.edu. It is mandatory to specify the **REF: MELIS-PSR-INDF-2023-59** in the email subject.

Deadline to submit applications: 04/12/2023
